VS.)	CASE NO. 8878
)	
MONROE COUNTY WATER DISTRICT)	

O R D E R

On February 1, 1983, the Public Service Commission, in Case No. 8670, The Application of Monroe County Water District for an Adjustment of Rates Pursuant to the Alternative Procedure for Small Utilities, ordered Monroe County Water District ("Monroe County") to provide information regarding the operation of a leak detection and maintenance program on its water system. Monroe County did not provide the requested information, and the matter was set for hearing by Commission Order of July 27, 1983.

On August 22, 1983, a hearing was held in the Commission's offices in Frankfort, Kentucky. Robert Greer, chairman of the water district, appeared for Monroe County. Mr. Greer testified that he thought that the requested information had been supplied. He further stated that his full time occupation and recent operational problems of Monroe County had kept him unaware of the failure of Monroe County to provide the information.¹

¹ Transcript of Evidence, August 22, 1983, page 5.

Mr. Greer agreed to file a report on Monroe County's leak detection program as originally ordered by the Commission. Monroe County filed the requested information on September 20, 1983.

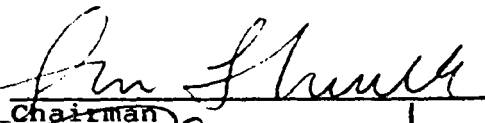

FINDING AND ORDER

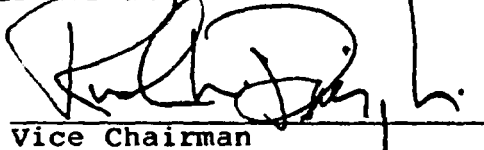

The Commission, having reviewed the evidence of record and being advised, is of the opinion and finds that Monroe County has answered the Commission's Order for information on the leak detection program.

IT IS THEREFORE ORDERED that this case be and it hereby is dismissed.

Done at Frankfort, Kentucky, this 2nd day of November, 1983.
